

APS YOUTH NETWORKING AGENCY

WHO WE ARE?

APS Youth Networking Agency is a non-profit organization that aims to provide agency and guidance for youth entering 9th grade to pursue their Academic, Personal and Social goals while building a network of resources and support around them that lasts into adulthood.

WHAT WE DO?

Each student we work with is assigned an APS agent before their 9th grade year who will help the student identify short term and long term goals, manage their calendars, build bridges between students and professionals, provide resources for students and more.

TECHNOLOGY

Each student will receive a free laptop that is theirs to keep. This laptop will allow students to fully participate in the program.

SPONSORSHIP

Each student is allocated \$500 to help remove any financial barriers that may hinder them from achieving their goals.

NETWORK OF SUPPORT

Each student will have a network comprised of representatives from family, school and extracurriculars built around them to support and cultivate them as they pursue their goals.
